

Central College Abroad

Art/Art History/Graphic Design

This handout is meant to highlight areas of opportunity in Art, Art History and Graphic Design. Some opportunities may require a certain level of language proficiency or academic prerequisites. Central College Abroad programs not listed may still have offerings within this area. Additional course work, internships, service-learning, and excursions in other academic areas are also available. Please contact your CCA representative or visit www.central.edu/abroad for further details. Options subject to change.
