

## Central College giving through EFT

Your gifts to the Central Fund are the building blocks that support Central College year-in and year-out. Now, Electronic Funds Transfer (EFT) makes giving that support easier. Through EFT you can spread your annual support over the course of a year by authorizing your bank to transfer to Central a monthly amount you've predetermined.

You may already use EFT to pay your mortgage, insurance, or utilities. If so, you know how secure and convenient it is. You know exactly when the amount will be automatically debited from your bank account.

EFT also benefits Central by eliminating the costs of mailing and telephoning our annual requests for donations and by simplifying our gift recording and receipting operations.

To implement your charitable support of Central through EFT, simply fill out the authorization form and send it in with a voided check. Be assured that your account will only be accessed for this purpose and for the amount you have shown (minimum \$10.00 per month). All the information will be held in the strictest confidence.
